Ask Open Ended Questions.

- How do you currently do.....
- What is the hardest part ?
- How can it be made better?
- What do you like about it ?
- What do you dislike about it?

Do NOT present your solution and then ask people what they think !

Session Assignment

- Talk to minimum 10 Customers
- Build Your Customer Profiles

Can you identify your ideal early customer and get someone to pay for your offering in the next 8 weeks?

*We must learn what our customers really want..
Not what they say they want..
Or what we think they should want !*
